

MH138-1A

Mounting Disc with Double Sided 1/4-28 Integral Mounting Studs, 1.0 in. (25.4 mm) Diameter

VIBRATION ANALYSIS HARDWARE

Product Features

- ▶ Provides a consistent location for a permanent vibration reading location
- ▶ Stud mounted on both sides

Specifications

Max Temperature	N/A
Case Material	316 L Stainless Steel
Pull Strength	N/A
Sensor Mounting	1/4-28 Integral Studs

Chemical Compatibilities for Reference

- ▶ Gasoline - A
- ▶ Methanol - A
- ▶ Lubricants - A

Compatibility

- ▶ Compatible with all sensors with 1/4"-28 mounting holes
